General Information

There will be spots available for all age groups. Existing teams will be looking to fill open spots and we will be forming new teams at each age group if we are able to recruit capable coaches.

The fee for tryouts will be \$20.00. All players must have a copy of their birth certificate.

The AAU season begins in March and continues into June. There is a fee associated with playing for Nor'east Lightning if you are selected for a team. That fee varies depending on the team for which you are selected (in general fee could range from \$600 to \$900 depending on the schedule and other factors). AAU is for the serious player who wants to improve their skill level and one day aspires to play at the high school and college level. Practices are held once or twice each week beginning in mid-March. Games are played only on weekends at various sites throughout Westchester/Putnam and the New York Metropolitan area and on occasion out of the area (generally for the older teams).
